

# ADL INTERNAL DOORS

---

LINE

# LINE

The Line door has a clear cut design that is expressed in its name. The continuity of horizontal lines on both sides of the glass pane create a three dimensional appearance to the glass door. The horizontal framing turns a simple internal glass door into an interior

design statement. In addition the inclusion of these framing bars allows a glimpse of the nuances of the surrounding environments and encourages privacy. Perfect for use in offices or walk in wardrobes where light and privacy are required.

## MAXIMUM SIZES

|         |   |
|---------|---|
| SLIDING | 1500mm wide x 3200mm tall per pane  |
| POCKET  | Single slider 1250mm wide x 2900mm tall<br>Bi Parting 2450mm wide x 2900mm tall |
